

WEEKLY REPORT FOR PROCUREMENT DIVISION

FOR PERIOD ENDING 05 September 1984

1. Progress Report of Tasks Assigned by the DCI/DDCI:

No tasks assigned during this reporting period.

2. Items or Events of Major Interest that have Occurred During the Preceding Week:

a. Negotiations with DEST Corporation: Negotiations were concluded with the Dest Corporation this week to establish a requirements contract for procurement of the Dest commercial version Optical Character Readers (OCR's). In compliance with the contract, Dest shall individually package each OCR and supply a modified universal format processor and a schematics package. An initial order for the purchase of 61 Dest OCR's was made at a total price of

b. NOMAD2 Technical Support: The Analytic Support Group (ASG) of the Deputy Director for Intelligence (DDI) submitted a request for NOMAD2 technical support. Negotiations were completed with D&B Computing Services on 31 August 1984. A firm fixed-price, level-of-effort type contract will be issued in the amount of The effort is expected to run for approximately 1 year.

c. Purchases of 8260 DELTA DATA Terminals: Since 1 July (4th quarter FY-84) Automated Data Processing and Engineering Branch (ADP&EB/PD/OL) has received 108 Form 88s for a quantity of 1004 terminals at a total dollar value of and are being processed. At least one more large order will be placed before the end of the fiscal year.

d. Whiteprint Engineering Drawings - Headquarters Expansion: At the request of the New Building Project Office (OL/NBPO), Production and Services Contracts Branch (P&SCB), issued a Request For Proposal (RFP) to obtain whiteprint engineering drawings of the new Headquarters Building. Four responses were received. A firm fixed-price contract award is in process to located in Arlington, Virginia, in the amount of \$76,905 for 200 sets of 1,104 drawings. The contract will also contain priced option provisions for up to 200 additional sets, as well as pricing for any necessary amended drawings. ~~The drawings obtained under the contract will be provided to the General Services Administration (GSA) for use in issuing the second construction solicitation.~~

C O N F I D E N T I A L

e. Headquarters Ground Floor Retiling: Capitol Hill Floor company has successfully completed phase I of the contract for retiling of Headquarters ground floor. Work on the final phase is proceeding ahead of the 14 September 1984 completion date. ✓

25X1 *MC*
25X1 f. Vehicle for DCI: Due to the reduction in size of the 1985 Buick Park Avenue, a problem has arisen whether it will accommodate the weight of armor plating and bullet-resistant glass. An award for the contract has been postponed until further specifications from Security have been forwarded to the Procurement Officer. General Procurement Branch (GPB/PD/OL) has suggested that approval be granted for a larger vehicle.

3. Significant Events Anticipated During the Coming Week:

None
